

## NEW SECRETARY Ellis' historic desk

AGRICULTURAL Region MLC Brian Ellis was recently appointed Secretary to the Parliamentary Liberal Party and has taken a seat behind a historic desk.

The magnificent hand crafted desk was given to former Premier Sir David Brand from grateful Greenough constituents for his service to the local community.

A succession of Secretaries to the Parliamentary Liberal Party have sat behind the historic desk and Mr Ellis is the latest.

Mr Ellis said he was delighted with his appointment and also the desk's historic link to Sir David because his electorate office is in the City of Geraldton-Greenough.
